## Guide to the Use of the Index

Use of the index will be facilitated by noting the following points:

1. Location references are to volume, number, and first page of the article in which the item is to be found.
2. The notations COM, PF, RE, and RN preceding a location reference indicates reference to Commentaries, *Polity* Forum, Review Essays, and Research Notes, respectively.
3. The notation "rev'd" preceding a location reference in the Author Index indicates reference to literature reviewed.
4. Title lists arranged chronologically according to appearance in *Polity.*
